

Community Members

Scargill Movement are seeking Christians with a pioneering spirit to join our growing community. All Community members take an active part in the worship, creative and serving aspects of our life.

Community members receive full board, accommodation and an allowance - not a traditional salary. We are looking for enthusiastic individuals with a desire to serve God.

Kitchen Team Lead / Deputy Kitchen Team lead (2 to 3 years)

We are currently looking for a Deputy Kitchen Team Leader and with our present Kitchen Team Leader moving across to explore other aspects of community life and to meet other commitments we are also seeking a Kitchen Team Leader.

Both roles require someone with good 'people and leadership skills', who enjoys working in a busy kitchen and is able to show flexibility.

Appropriate qualifications and/or relevant experience is desirable but not essential, there will be 'on-the-job' training.

We are also always looking for the right people to join our teams for periods of 3 months or longer. If you feel you may be called to Community life, please contact Diane on di@scargillmovement.org
